Environmentally friendly

Bindomatic covers are made from unbleached pulp produced from sustainable forests, while where possible we prefer the use of PET plastic covers and offset ink derived from vegetable oils.

Customise your documents at www.pbdesigner.com

Pbdesigner.com is a fantastic web-based cover design tool that allows you to create your own personalised covers on-line in minutes. Upload your own logo and pictures to design that special front and back cover. Your order will be delivered to you within days, so you can meet important deadlines. Our minimum order quantities are low so you do not have to commit to costly high volume print runs.

To try the system yourself go to www.pbdesigner.com

A4 Frosted: The standard A4 Frosted gives you a coloured spine with a transparent cover to allow you to personalise, display and protect the content.
